The Salt Box

**THE SALT, SAND OR ANYTHING
STORAGE SOLUTION!**

(AVAILABLE LATE AUGUST 2006)

Outdoor-rugged and weather-resistant, The Salt Box is perfect for all your storage needs. Built with durability in mind, The Salt Box is constructed from the same UV protected, polyethylene material as our SnowEx spreader hoppers — meaning it can handle anything you can throw in it. From salt and fertilizer to sports equipment and tool storage, The Salt Box can handle it. Available in three sizes, The Salt Box comes complete with heavy-duty, lockable lid, fork pockets (SB-1100 and SB-1800 only) and a FREE Scoop.
